What works?
Social and behavioral approaches to boost children’s well-being

Friday, March 15, 2019
Zurich

IV Annual Conference
Center for Child Well-being and Development
University of Zurich | March 15, 2019 | 08:30 a.m. to 07:00 p.m.
Department of Economics | Room SOF G-21 | Schönberggasse 1, 8001 Zurich
Keynote Session at UZH Main Building

Based on their research projects across the world, experts from different fields will present new insights into behavioral and social change, focusing on child development.

Featured keynote speaker Dr. Nava Ashraf, Professor of the Department of Economics at the London School of Economics and Political Science and Research Director of the Marshall Institute.
